7TH GRADE VISITS FRESNO PACIFIC UNIVERSITY

On April 6th, GEAR UP planned and prepared the 7th graders to attend Fresno Pacific University. On this sunny day, they toured the campus' main campus points like the library, dining hall, and the student dorms. They left campus with an informational bag that explains more about Fresno Pacific, including admissions information, student data, and academics. The 7th graders also experienced eating in the dining commons where they ate a buffet style lunch. They absolutely enjoyed the food options, and because it was a hot day, they ended the trip with ice cream for dessert.

Thank you to all who helped chaperone the field trip!

GEAR UP Upcoming Events:

5/8/23 Spring Scholastic Book Fair

5/10/23 Family Workshop:
Budget Friendly Family Fun!

5/30/23 8th Grade Grad Night

Special Shout Out:
Isabel Torres

The GEAR UP team is saying goodbye to Ms. Torres. We are thankful for her support throughout the year. She made a huge impact on the team, and our students. We wish her the best on her future endeavors. Isabel, you will be missed!

Person of Contact : Rebecca Bernal | GEAR UP Coordinator | 661-709-8541
Genesis Caudillo | Success Coach | Available through Parent Square

After school tutoring happens everyday! Pictured above is May's calendar. After school tutoring is for students who are not passing ELA/Math classes and/or need to make up missing assignments. For the month of May, there are only three after school tutors available to help with assignments, therefore spots are limited.

Our focus is on Math and ELA only. Once your student is in the C range, they no longer need to attend tutoring. For inquiries, please call WCPA or GEAR UP Coordinator, Rebecca Bernal, to find out more information.

GEAR UP Summer Edition

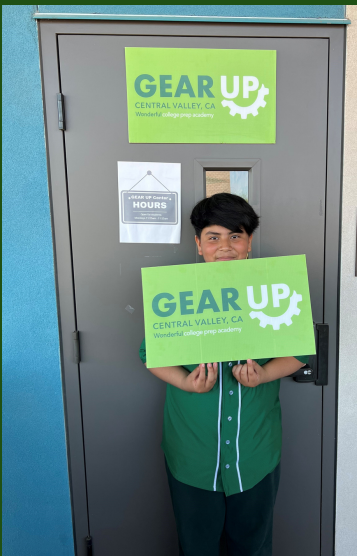

No plans for the summer? GEAR UP will be supporting summer programs. The team is working on planning and prepping field trips every Thursday. We have trips planned to colleges, the zoo, and the planetarium. We will also be raffling off cool college gear for perfect attendance! Spots are still open and we encourage sign ups!

GEAR UP Family Workshops

Family workshops continue to be hosted on Wednesdays from 5:30- 6:45pm. This month, parents learned the four different parenting styles, and also went over how to instill independence and responsibility in their children.

STUDENT OF THE WEEK

Ms. Flores nominated Isabella Medina for showing improvement in her grades and having great student work ethic. She is always in the after school tutoring for the extra support and always looks for ways to continue improving her grades.

Ms. Garcia nominated Diego Martinez because he always comes to class with a positive attitude ready to learn and is the first one to participate when we ask.

The future belongs to those who believe in the beauty of their dreams. -Eleanor Roosevelt
